Support the 36th Annual Japan Festival

Dear Friends:

On behalf of the Chicago Japanese American Council (CJAC), we seek your financial support for our 36th annual Japan Festival which will be held at the Forest View Educational Center in Arlington Heights on June 2 & June 3, 2018.

The Chicago Japanese American Council is a consortium of eleven Japanese and Japanese American organizations working together to promote Japanese culture and heritage in America. With your support and including support from the Consulate General of Japan in Chicago, this year's festival will be the largest Japan showcase event in the Chicagoland area, representing the Japanese and Japanese American communities as one.

Every year the festival serves to foster meaningful cultural exchange and further understanding and appreciation of Japanese culture and heritage. This year's program is guaranteed to provide attendees with broader traditional and contemporary arts. The exposure to Japanese culture, cuisine and art will create deeper awareness, appreciation and understanding of Japan and further strengthen U.S.-Japan friendship at the local level.

Your generous financial support will contribute toward another successful Japan Festival. Please fill out the pledge form and mail it in with your check by May 4, 2018.

Thank you in advance for your support. We look forward to seeing you on June 2nd and 3rd.

Sincerely,
Japan Festival 2018
